The
1948
Clairian

Editor-in-Chief Joe Corby
Business Manager Dorothy Motto

Foreword

In this volume of the Clairian we have tried to picture the Senior Class of 1948. We have recorded the successes and the failures, the events, activities and personalities which made up our High School days.

May it remind us that cooperation and unselfishness are needed for success in town, state or world affairs just as they were in classroom or school activity.

As we take our place in an age that is fighting for Peace through United Nation Conferences we can put real meaning into our motto: "Today We Follow: Tomorrow We Lead."

Dedication

We, the class of 1948, dedicate this volume of the Clairian to the underclassmen. We do this in appreciation for your support in the years we spent together as a pledge of our interest in you for the years to come.

The National Congress of Parents and Teachers, with a deep concern for the future of our children, has set forth for 1948, a Four Point Program:

1. School Education
2. Health
3. World Understanding
4. Parent and Family Life, Education

The Saint Clair Parent Teacher Association, a unit of five hundred nineteen members, has had a busy year and work is steadily going forward on all phases of this program.

We wish to extend to the class of 1948 congratulations and best wishes for a safe and peaceful future. Yours is a tremendous responsibility, working toward World Understanding and World Peace. You have had the finest educational advantages and as you go into the world may we urge you to take with you the spirit of tolerance, of co-operation and friendliness for all, that you may help to spread friendly understanding into the nation and the world for therein lies the hope of a permanent world Peace.

Four short years ago we entered Saint Clair High School as Freshmen.

We were active in all school sports and clubs. By our Junior year we had placed key men on every varsity squad and had gained enviable reputations in Glee Club and Dramatics.

During these years the school was reorganized on the "6-6" plan and we had to make many adjustments as we became part of the Junior-Senior High School.

About to leave S.C.H.S. we realize that cooperation and hard work is the basis of all success. We can only lead to the extent that we inspire loyalty in our followers.

It was with great pride and considerable joy that we took our place as Juniors this year. We have passed the third milestone in our High School work and we are anxiously looking forward to the final lap of our journey.

On December 26, the Junior Prom, the most brilliant affair of the year, was held in the Carroll Street Auditorium. Trees of spruce and pine, laden with snow and blue lights, glistened beneath a huge pinwheel of white streamers, radiating from an immense blue globe. Ken Alexander and his Orchestra furnished the music.

After three years of scholastic, social and athletic success we, the class of 1949, will begin our Senior year with determination and a renewed conviction that "Victory is ours forever!"

The Class of 1950 entered its second year in High School determined to uphold the motto—"There is no wealth like knowledge for thieves cannot steal it."

To our new classmates from the townships we extended the congenial hand of welcome.

Into sports and extra curricular activities we have sent representatives who have made honorable records for themselves and their class.

The Fall of 1947 witnessed the entrance of a Freshman Class into Saint Clair High School that, we think, will surpass all its predecessors. Talented academically, physically and socially we feel that our road through school will be a highway of success.

Already our light has shone forth. On the athletic front we have placed players in varsity competition in our first year. We have inaugurated a system of class dues that assures the success of our social undertakings. Our learning amazes all and our quick aptitude surprises even our severest critics.

Our motto expresses our attitude, our confidence and our goal as the future leaders of community and country.

One of the most active organizations in the school is the Student Council. During the year school dances were held for all students in the Junior-Senior High School. At Christmas, a contest for the best decorated home room was conducted. Council members participated in the March of Dimes Drive and sponsored a ticket selling contest to raise funds for a movie projector.

In March a meeting of Student Council members from surrounding schools was held to discuss problems and exchange ideas. The activities of the year ended with a special dance program in May and the election of officers for the 1948-49 school year.

Football

The 1947 football season was one of the poorest in the history of the school. Due to the lack of a suitable playing and practicing field and injuries to the members of the starting array the "Saints" didn't win a game all season. St. Clair scored only two touchdowns the entire season. The "Saints" put on their best exhibition against Shenandoah when they battled the highly favored "shens" on even terms only to come out on the short end of the score.

Here's hoping the team of "48" may have more success and a home field to play and practice on.

Baseball

The 1947 baseball season was one of Saint Clair's best. The team won the championship of the North Schuylkill League, making nine times the Saints have capped the pennant in thirteen years of competition.

A drab outlook faced the Saints when the season opened. With no home field, no practice and really atrocious weather the prospects for success seemed dim. However, Mr. Harold Smythe and The Saint Clair Coal Company came to the rescue and made Parvin's Hill into a baseball diamond. Because of the cold and rain work was delayed and the Saints went into their first game without practice, losing to Frackville 6-3. Then a remarkable winning streak of 10 games swept them into 1st place where they stayed. Due to the 5 year suspension, the team could not advance in the play-offs and Shenandoah, the team finishing second, went on to win the District 11 title.

The club hit hard, fielded well and ran bases daringly. Steals—single, double and delayed—drove opposing teams frantic. A smooth infield of J. Bramley, A. Rennick, Kachek and Honicker; a fleet outfield of Buletza, Love and R. Corby gave excellent support to the fine hurling of Kellagher and Futchko. Kostrey, Kubeika and B. Bramley divided the catching chores. Chaplick, Bodenhorn, Androshick, Doyle, Barrett, Pollog were valuable replacements in the drive for the flag.

Possibly the greatest contributing factor for the season's success was the fine winning spirit of the boys. Walking over a mile to practice no one missed a single session. At Ashland, behind 3-0 in the last inning, a 4-run rally won the game emphasizing the never say die spirit of the squad. When injuries held out all the catchers Buletza came in from the outfield and caught the important Shenandoah game giving a fine exhibition. That spirit plus excellent co-operation and teamwork brought the Saints to the top of the North Schuylkill League.

Basketball

The 1947-48 season was a very disappointing one. The team which was again favored to capture the North Schuylkill League title had its ups and downs. The "Saints" started out by losing their first five games. They hit their true stride in the following game and started on a sensational seven game winning streak only to be halted by Butler Twp., first half champions.

The team was again favored to be in the fight for the second half, but they lost the first two league games.

Underclassmen finished the season.

Class Song

(Melody: Our Best to You)

Our best to you, we must bid adieu
To the memories we have shared with you,
And thru the years may our smiles and tears
Be as souvenirs of the days spent together.
Remembered well will your teachings be
As tomorrow's world we will try to lead.
Now Saint Clair High, we must say Good-by
But we'll always be grateful to you.

Let's bow our heads to the red and blue
To its standards proud we will e'er be true.
And in our minds you will always find
The hopes enshrined in nineteen forty-eight.
In future years we will banish fears
As we strive for fame in your glorious name.
So here's to you and the red and blue
Dear Saint Clair High, it's Good-by to you.
